Wondering Who and How to Help ?

With the many wars and disasters that have occurred even in the past few months, it may be difficult to choose who and how to help. One idea is Doctors Without Borders. A contribution goes almost entirely to funding the activities of the medical staff and they respond to need all over the world. Check this website for more information on how you may contribute.

The Red Cross is also a world-wide organization. Information for making a donation to the Red Cross is here:
