Yui Ehime YouTube Channel

Yui Ehime is an organization/network dedicated to providing information to the international community in Ehime. They have started making community service videos to provide information about living in Japan. Check out the first ones!

Yui Ehime is also collaborating with the Ehime International Community Facebook page. It was set up years ago, but we are trying to revive it as another information source for Ehime residents. We realize FB is not used that much now, but we want to use the resources we have. Thanks to Carl Sotomil for the new cover photo!

Wondering Who and How to Help ?

With the many wars and disasters that have occurred even in the past few months, it may be difficult to choose who and how to help. One idea is Doctors Without Borders. A contribution goes almost entirely to funding the activities of the medical staff and they respond to need all over the world. Check this website for more information on how you may contribute.

<https://www.doctorswithoutborders.org/get-involved/ways-to-give>

The Red Cross is also a world-wide organization. Information for donating to the Red Cross is here:

If you have other suggestions, please let us know.
