Yui Ehime is an organization/network dedicated to providing information to the international community in Ehime. They have started making community service videos to provide information about living in Japan. Check out the first ones!

Yui Ehime is also collaborating with the Ehime International Community Facebook page. It was set up years ago, but we are trying to revive it as another information source for Ehime residents. We realize FB is not used that much now, but we want to use the resources we have. Thanks to Carl Sotomil for the new cover photo!
