ENMA FESTIVAL Scrolls from hell event

For our international guests, the hanging scrolls of Seigo-ji Temple in Uwajima, will be presented with English explanations.

You are warmly invited to join us for this rare occasion. Together, we will witness a remarkable collection of terrifying yet captivating scrolls depicting the Day of Judgment. For those bold enough to take part, the traditional—and famously perilous—mochimaki ritual awaits. Before the event begins, a tea ceremony master will serve matcha to mark this special gathering, which we will enjoy while overlooking the beautiful Japanese temple garden.

Please note that space is limited. To secure your reservation, feel free to contact us at:

Videos to promote intercultural understanding

To give Ehime residents a perspective on the kinds of things that foreign residents may have difficulty with living in Japan, the Ehime Prefecture Human Rights Education Section has created two videos, each about 10 minutes long and available on YouTube:
