Yui Ehime YouTube Channel

Yui Ehime is an organization/network dedicated to providing information to the international community in Ehime. They are making community service videos to provide information about living in Japan. Three were made last year showing cycling rules, garbage rules and riding a bus (how to pay) and have all been revised this year. One more providing information on seeing a doctor was just added.

Ehime International Community Facebook Page

Yui Ehime is also collaborating with the Ehime International Community Facebook page. It was set up years ago, but we are reviving it as another information source for Ehime residents. We realize FB is not used that much now, but we want to use the resources we have.

Yui Ehime Medical Support Group

The Yui Ehime Medical Support Group is working to make medical services more accessible to foreign residents by workshops for medical workers, a video to show the basic steps when seeing a doctor (<https://www.youtube.com/watch?v=VbOfsBC2uq4>) and by experienced volunteers who can go with you to see a doctor to help navigate the hospital system. If you want to request help to see a doctor, please send your request to yuiehimemedical@gmail.com
